The first edition of UK Military Airfields Guide is a comprehensive book of military airfield establishments.

This guide has been produced for aviation enthusiasts, spotters and photographers. It includes the United Kingdom's military airfield establishments featuring full colour maps of the Royal Air Force, Royal Navy, British Army, United States Air Force and the Ministry of Defence.

This essential guide features maps of the major operational airfields with associated units with airfield radio frequencies plus maps of minor, satellite and recently closed airfields.

A brief commentary has been provided to illustrate the operator, units and activities to the airfield. Where possible a location for airfield observation and photography is provided.

Additionally a useful guide listed by number to the squadrons and units at each of the airfields featured in this publication.
